Requirement for Cases 

REF : RD-SP 1003

Background

This branch is interested in the amount consumers in the USSR spend annually for legal services.

Requirement

1. Could the source estimate the number of persons employed in Soviet legal services and their average wages? A breakdown of employment and wages by level of skill, including professional, administrative and other workers, is also desired.
2. What types of charges are made to individuals for legal services and what are typical amounts of these charges?
3. What are the most common legal cases in which individuals become involved? How much of the expense of handling these cases is borne by the state? How much of the expense is borne by the individuals?
